SIR

In forwarding herewith Shikarpur Town Muncipal President's report No M c 91/33-34 dated 25-10-1934 together with its enclosures I have the honour to state that the existing limits of the Shikarpur Town Muncipality were fixed in Government Notification No L 535 M L 66-33-19 dated 26-7-1934 The President of the Muncipality reports that the extension of the western boundary so as to include the portion of the Shiralkoppa road up to the bridge on the Kumadvati river is quite essential as the merchants conveying dutiable articles in that road smuggle their goods into the town by the byepaths, after crossing the bridge over the river The President states that the Muncipality would derive much income from Toll and Octroi if the said portion of the road is included within the Muncipal limits The Council in their meeting held on 12-10-34 have resolved that the extension of the Muncipal boundary is quite necessary

I have made enquiries and inspected the portion of the road and I am of opinion that the present proposals of the Council are very necessary to prevent smuggling of octroiable goods

Under the circumstances, I request you to kindly obtain the sanction of Government to the proposals of the Council

Draft notification amending para 4 of the Government Notification No L 535 M L 66-35-19 dated 26-7-1934 and the sketch of the portion of the road to be included within the Muncipal limit

received from the President are enclosed with the records

I have the honour to be,

Sir,

Your most obedient servant

Can the notice of 26-7-34 be amended in the manner proposed without following the procedure prescribed in Section 76 of the Land Revenue Rules?

As this is only an amendment of the original notice, there seems to be no necessity to follow the procedure prescribed under Sec 76 (1), once again there were no objections to the proposed notification issued in the matter. The Govt. Sec may also be consulted in the matter, if necessary.

For favour of opinion

Asstt Secy (Law) and Comptr

If the amendment proposed has the effect of altering the limits as fixed in the notice of 26-7-34, the procedure prescribed in Sec 76 has to be followed
